

Word Wall Families

Use the words on the word walls to create “families” of words that are related in some way. Write them below. *There must be at least 7 words in each family. You decide how they are related.*

Word Family #1

Word Family #2

Word Family #3

_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

How are the words in Family #1 related? _____

How are the words in Family #2 related? _____

How are the words in Family #3 related? _____

Design a house for one of the families and draw it on a separate sheet of paper. Give attention to the outside of the house, too, and provide a play area for the words.

Write a paragraph (8 – 10 sentences) below explaining why the house especially suits that particular family. Be specific about the things you put in the house for the different family members.
